

MA Healthcare

Cancer - 3

Cancer remains one of the most prevalent conditions, affecting millions of people in the UK each year. Though survival rates are improving, there is an increasing number of people diagnosed with the condition, and a greater shift towards after-care is required. We have provided a list of recent and relevant articles from MA Healthcare journals dealing with this area, thereby providing your NHS staff with research, information and tips that will support both their work and their patients.

British Journal of Community Nursing

- Nausea and vomiting in end-of-life care: managing this debilitating symptom in the community
Published Online:30 Mar 2022
<https://doi.org/10.12968/bjcn.2022.27.4.180>
- Genital lymphoedema and its hidden impact: a treatment guide
Published Online:2 Apr 2022
<https://doi.org/10.12968/bjcn.2022.27.Sup4.S32>
- Lower extremity lymphoedema: some recent literature highlights
Published Online:2 Apr 2022
<https://doi.org/10.12968/bjcn.2022.27.Sup4.S13>
