## First step: -

To access the majority of the electronic resources you will need an NHS OpenAthens login.

Self register at: -

<https://openathens.nice.org.uk/>

It is a very quick and easy form to complete and submit. Once submitted check your email and activate your account.

Athens self-reg

## NHS Knowledge & Library Hub

<https://library.nhs.uk/knowledgehub/>

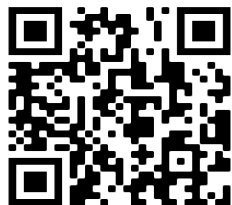

The Hub - EBSCO Discovery Service - provides you with an easy, yet powerful, means of accessing all of an institution's information resources through a single search.

Use the NHS Knowledge and Library Hub to find high quality knowledge and evidence resources all in one place: -

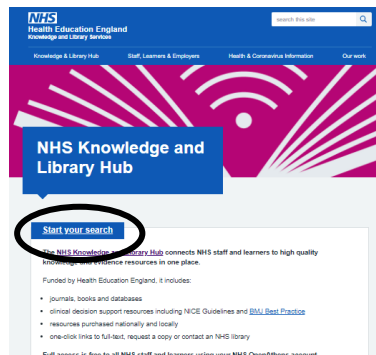

- over 7,000 journals
- books and e-publications including OUP handbooks
- clinical decision support tools such as BMJ Best Practice
- NICE pathways and guidelines
- databases like Medline, EMBASE and CINAHL

Login with OpenAthens (yellow band at top of screen, displayed once you have clicked 'Start your search').

For help using The Hub use the QR tag below for Hub Guides.
