

6/56

MEMORANDUM

From:
The County Medical Officer of Health,
Guildhall Road,
Northampton.

To:
District Nurse/Midwives.

9th March, 1956.

Transport of Premature Babies
to Barratt Maternity Home

Arrangements for the transport of premature infants to the Barratt Maternity Home have recently been under review by Mr. R. Watson, Dr. I. H. Gosset and Dr. R. Wigglesworth.

As from today, I should be glad if when you desire a premature infant to be admitted to the Barratt Maternity Home you will kindly telephone the Home direct (Telephone No. Northampton 4680). On receipt of your telephone call a nurse from the Home together with the appropriate equipment will go out in an ambulance from Northampton to bring in the infant.

Yours faithfully,

C. M. SMITH,

County Medical Officer of Health.
