All profits from the sale of this record will be donated to the Friends of the Kettering and District Hospitals, formerly named the Hospital Samaritans. The nurses from the Kettering Health District have made this record to commemorate the charities change of name and as a token of appreciation for the work carried out by the friends which benefits both patients and nurses throughout the district. This record could not have been made without the enthusiastic support of Mrs. M. J. Dixon, District Nursing Officer, and Miss M.H. Lamont, Senior Nursing Officer, Kettering General Hospital. Sincere thanks are also due to all the nurses who made it possible for their colleagues to participate in the making of the record.
