GENERAL HOSPITAL,

KETTERING,
Northants.

23rd August, 1967.

Dear Occupier,

Staff Sports Day
Saturday, 16th September, 1967

I write to you as an occupier of property adjoining the land owned by the Kettering and District Hospital Management Committee to draw your attention to the fact that on Saturday, 16th September 1967, it is proposed that a Staff Sports Day be held by the Hospital Social Club in the grounds of the Kettering General Hospital.

Due to commence at 2.45 p.m., the novelty events are due to be run on the grassed area between the Nurses Home (the nine storey building) and the hard-court tennis area.

As this site is in the vicinity of your own property, although partially screened by a hedge, it can be anticipated that a reasonable amount of noise may disturb your Saturday afternoon. Every endeavour will be made to keep unnecessary noises and disturbances to a minimum, but a small public address system will be in use so that a certain amount of intrusion of your privacy can be expected.

Although this day is organised for the enjoyment of the staff of the Group hospitals and their families and is not open to the general public, an invitation is extended to any of your own family (especially children) who may wish to "hop over the fence" and watch the events.

Yours sincerely,

C. M. SMITH,
Chairman, Social Club
