

Hope this entry is not too late, but we have only just managed to find a complete team.

Please would you forward any further information to me

Thanks.

" IT'S A KNOCK-ABOUT "

TEAM REGISTRATION FORM

Members of the staff are invited to join together into groups of six (three male, three female) and enter themselves collectively as a team to take part on the "Sports Day". Members can, though not necessarily, be from one department, ward or section. No restriction is placed on the formation of teams other than the number of members.

You are asked to register your team, preferably by a collective title, as soon as possible, and in any event by 7th June 1969, so that organisers can plan as accurately as possible the timing of the events.

NOVELTY EVENT SPORTS DAY - "IT'S A KNOCK - ABOUT"

SATURDAY 28th JUNE 1969

Once again the Social Club has decided to promote a Hospital Sports Day - in the grounds of St. Mary's Hospital, Kettering on the afternoon of Saturday, 28th June 1969. Your kind assistance in circulating this preliminary notice amongst the staff in your department or ward would be appreciated.

As in 1967, to provide a reasonably fair basis of competition, it is proposed that ten or a dozen events be organised - each event not necessarily able to be won by athletic prowess, but with the accent on spectacular novelty. Teams of six persons (three male, three female) are invited to enter collectively for all events. Whilst we cannot guarantee the winning team will represent Britain in the final of "Jeux Sans Frontieres" they will be awarded a Silver Cup and attractive prizes.

Although the final programme of events has yet to be decided, several events from the following list will be included:-

Spare-Tyre Race	Ward Round Race
Emergency Bed Race.....	Pancake Race
Stepping Stones.....	Porky Pig Market Race
Charlie Chaplain Race.....	Sack & Bowler Hat Race
Knights Pram Race	Fishing Race
Flipping Frog Race	Obstacle Race (Ball & Bucket)

This is a social venture -- please support it. A Team registration form for your department is set out overleaf.
