

Accessing journals via NICE Evidence

1. To access the NHS Athens resources type <http://www.evidence.nhs.uk> into the address bar of your browser:

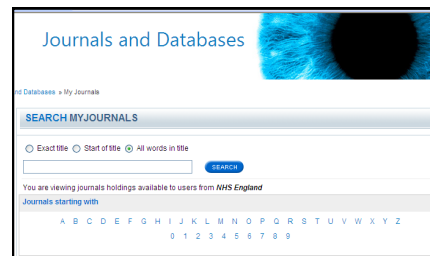

2. Select **Journals and Databases**
3. Scroll down to Journals and select 'Sign in to Open Athens ...'

4. Enter your Athens login details

5... Search for a journal by selecting 'All words in title' and putting in some or all of the title.

Note: **orthopaedic** will not automatically bring back titles containing the word **orthopaedics** so you need to do separate searches for word variations.

If you are struggling with getting fulltext articles or need an article in a journal to which we don't subscribe or is currently embargoed please ask the Library Service—either email library.index@kgh.nhs.uk, tel x 2862 or use our online request form <http://www.surveymonkey.com/s/THV5X9L>

Guides on how to search the databases are available from the library service. We also provide individual and group training sessions.
